| **Brief description of the University** | Universal Business School was established as part of Strive India Education Foundation in February 2009. Universal Business School (UBS) takes a leap forward, by creating India's first Green Business School ensuring eco-smart integrated thinking and a sustainable campus. The idea for establishing a world-class business school in Mumbai was born in 2008.<br><br>For more information about the Universal Business school's programs, visit http://www.ubs.org.in/ and navigate to 'Programs'. |
| **Facts about Mumbai** | • Mumbai is constructed on a landmass that was once a group of 7 islands which merged in a period of six decades starting circa 1784 AD.<br>• The city was formerly known as Bom bahia, which means good bay in Portuguese.<br>• India's largest and only international standard theme park, Adlabs Imagica, is in Khopoli near Mumbai. |
