Practical Information

All accepted students will receive a Welcome email and a Pre-Arrival guide, with detailed information about travelling, arrival, enrollment, housing, cost of living etc.

Living costs

We recommend students to calculate approx. 700-800 Euro/month in order to cover all the living expenses in Volda.

Housing	380 – 420 Euro/month
Local transportation	None. Everything is within 5 minutes walking distance
School Fees	None
Food	250-300 Euro/month
Personal expenses	100-200 Euro/month

Visa requirements and residence permits

Citizens of the Nordic countries, the European Union, Lichtenstein and Switzerland do not need to apply for a residence permit before arrival.

Citizens from countries outside of the EU need to apply for residence permit before coming to Norway. Students must contact the nearest embassy or consulate for detailed and updated information on the required documentation.

Health and travel insurance

All students must hold a valid European Health Insurance Card or equivalent before coming to Norway.

In addition, we strongly encourage students to have travel insurance before coming to Norway.'

Bank accounts and payment cards

Payments cards such as VISA, MasterCard, etc are normally accepted in Norway and can be used in most of the shops.

Opening a bank account is rather difficult, therefore we recommend students to use their cards and not come with large amounts of cash.

It is not possible to exchange currency in Volda, therefore students are recommended to come with an amount of money in Norwegian crowns and have the rest on their cards.

More information for incoming students can be found on our website: www.hivolda.no/en/studies
