<b>Contact person</b>	Jonghyun Hong (studz@ssu.ac.kr)
<b>Brief description of the University</b>	<p>With its roots going back to 1897, Soongsil University was always able to successfully thrive through the tumultuous history of its country. Soongsil considers its foundation to be the students. Their educational curriculum is based on the students' needs and satisfaction.</p> <p>Soongsil University accepts students from over 255 international partner universities for up to 2 semesters or one full academic year. The program provides international exchange students with a unique opportunity to continue their current studies at their home university in either English or Korean overseas. In addition, students can take leveled evening Korean language classes and participate in a monthly cultural event both of which aim to help students gain more knowledge and insight into their host country.</p>
